

Computer Graphics and GPGPU Programming

IMPORTANT NOTE:

The presentation of the projects is anticipated at **9:30 am** on Thursday, February 7, 2019, cube 22B.

Students that are not ready can send me an email to ask for extra time.

Students who do not appear on the list have not passed the exam.

Surname	Name	ID	Score	Note
Avolio	Matteo	205074	26
